The screenshot shows the Legacy Solar Co-op website's membership page. At the top, the logo "Legacy Solar Co-op" is displayed. Below the logo is a navigation menu with links for "About", "Membership", "Solar Renewable Energy Certificates", "Solar Group Buys", "Solar Projects", and "News & Resources". The "Membership" link is highlighted. The main content area features a heading: "Become a cooperative member and join others who share your values and vision for a cleaner Wisconsin." Below this heading, there are three paragraphs of text: "Your membership supports our mission to build a sustainable legacy that helps protect the earth through the growth of solar energy.", "Together we are committed to making solar energy a vibrant and vital segment of Wisconsin's energy grid!", and "Lifetime membership is a one-time charge: \$100 for an individual/household or \$250 for a business or institution." At the bottom of the text area, there is a call-to-action button that says ">> Ready to join? Complete the online membership form for Individuals or Institutions". To the right of the text is a circular image showing a group of people holding a banner that says "Legacy Solar Co-op" and "Shape a clean, safe, and sustainable future for Wisconsin".
